

Load money with an ACH transfer

Transfer money from your bank, credit union, or other financial institution to your READYdebit® Visa® Prepaid Card

Instructions:

1. Ask your bank if they process ACH credit transactions for your bank account.
2. Print this page and provide the information below to your bank.
3. Instruct your bank to set up ACH transfer capability between your checking or savings account and your READYdebit card account.
4. Follow your bank's verification instructions.
5. Follow your bank's instructions for transferring funds - from their website, over the phone, or in person.

Your name _____ Your signature _____

Account type: Checking

Bank routing number: _ _ _ _ _

Your deposit account number:

Don't know your deposit account number? It's different than your card number.

No problem, just go to www.readydebit.com/dda/ddalookup.html, go through the quick form wizard, and your deposit account number will be at the bottom of your form.

Financial Institutions:

Have questions? Contact Ready Financial at 1-866-465-1645.

ACH stands for Automated Clearing House, an efficient and reliable system for transferring funds electronically.

READYdebit Visa Prepaid Cards are issued by The Bancorp Bank or MetaBank®; Members FDIC, pursuant to a

license from Visa U.S.A. Inc. and can be used everywhere Visa debit cards are accepted.
